### **About Weizmann Group:**

JaldiCash is an "agent assisted model" payments ecosystem that delivers end to end solutions to the end customer, via the JaldiCash portal and App. Since its inception Jaldicash has grown rapidly to over 25,000 agents spread across 450+ districts, servicing over 30 Million + satisfied customers.

JaldiCash's parent company, Weizmann Impex Service Enterprise Ltd. (WISE) has authorization from the Reserve Bank of India for issuing and operating Prepaid Payment Instrument System (PPI) in India. Our payments ecosystem includes, Domestic Money, Business Correspondence Service through Fino, RBL Bank, Mobile, Data & DTH re-charges and bill payment, Cash collection & Mobile Wallet Top Up Services, travel ticketing etc. We have partnered with the best in class service providers for providing a growing bouquet of services under a single Agent ID. Jaldicash is powered by a strong, scalable CISA audited technology infrastructure which enables us to provide secure, stable services to our team.

Weizmann Impex Service Enterprise Ltd. (WISE) is a part of INR multibillion Weizmann Group that has diverse interests in Textile Processing and Exports and Power Generation.
